Letter from the Editor-in-Chief

28 December 2023

Dear readers and the ASA community,

Welcome to our 10th Anniversary for the Acoustical Practice Network (APN). APN is a global membership network, dedicated to finding theoretical and practical solutions to achieving acoustical practice from elsewhere.

As I reflect on 2023, I have been so proud to give to the ASA community

We received the global coverage International Acoustics Day for Acoustical Practice (IADAP) in the city of Brisbane and we will be celebrating the coverage globally on 10 March. The theme of our global coverage IADAP is *Be the One That I hope you will be inspiring the coverage in your own local*
